

Cocktail Tasting

Veronica Corningstone

A dirty pirate cosmopolitan. Vodka, mangosteen syrup, hibiscus.

Blazing Saddles

Where ya headed, cowboy? Fermented turmeric, charred carrot, tequila, Nigari.

Much Ado

For truly I love none. Light Rum, Aperol, local melon "blewah".

Marigolden Boy

A guidance to find your way. Mugwort, wine and marigold leaf.

Zanzibar

The other spice island. Mango vodka, pineapple skin, clove, java pepper.

Martinez

Don't get smug about it. Gin, Koming's vermouth, maraschino, cacao.

Koming's Boulevardier

*Child of Manhattan/Negroni, son of Jor-El puts you to the curb at the count of 3.
Bourbon, campari, Koming's vermouth.*

Last Word

A great palate cleanser. Gin, R4D chartreuse, and maraschino.

Uno Dos Tres

It's simply tastes like a spring. Tequila, campari, and orange.
