

## Mocktail Tasting

### Veronica Corningstone

*A dirty pirate cosmopolitan. Orange, mangosteen syrup and hibiscus.  
50% of the time, it works every time.*

### All That Glitters

*Not as it seems. Turmeric, Nigari, reduced tangerine.*

### Ginger Wildhearts

*Just a version makes of residue. Ginger, lime, orange, and honey.*

### Lucid Dream

*Reach a higher level. Mugwort, marigold, lime and galangal leaves.*

### Maluku

*Spicier than the Portuguese. Pineapple skin, clove, lime, cinnamon, java  
pepper.*

### Caipiroska

*Stir & sip until your dream comes true.*

### New York Sour

*Homage to Schiller's, LES, NYC. Smoked caramel, snakefruit water, and  
beet tea.*

### Buttermilk Punch

*Don't ask.*

### Sidecar

*Kombucha style.*
